Telko acquires Polyma Kunststoff GmbH & Co. KG

Telko Ltd (www.telko.com), a leading Finnish supplier of plastic raw materials, industrial chemicals, and lubricants has acquired the entire share capital of German plastics distributor Polyma Kunststoff GmbH & Co. KG.

"This transaction is creating great new opportunities for our customers and partners. As part of Telko group, Polyma will be developing enhanced services, new customers solutions and seeking for further growth. Our promise to customers "wir handeln!" remains the same and we look forward to taking Polyma in new era as part of Telko", says Alexander Maul, CEO of Polyma GmbH

"We are very excited about having Polyma and its team of professionals as part of Telko group. The transaction strengthens our engineering plastics business and opens new markets for Telko in Germany and neighbouring countries for further growth. This step is part of Telko's compounder strategy, which focuses on high value-added products and growth in Western Europe", says Mikko Pasanen, CEO of Telko Ltd.

Daily operations of both companies continue as before. There are no changes in company names, contact persons, payment details or any other daily routines. We continue to deliver products, services, and support you have come to expect from our teams.

It is an exciting future that we see ahead of us, and we look forward to continuing our journey together with you. We appreciate the trust you have shown over the years and look forward to continuing our successful cooperation under new ownership.
